## PRAYERS THIS WEEK

- Please pray for Taylor Douma, daughter of Thomas and Michelle, as she recovers from surgery
- We lift up John VanBruinessen as he goes through radiation treatments for the near future and Marguerite as she deals with liver cancer as well.
- We think of others struggling with daily aches and pains, loneliness, and the effects of old age.
- We pray for those who are on vacation or traveling that they may be safe on the roads and that they may return to us rested and refreshed
- We pray for the new leaders in our church that will be installed on September 13th
- We pray for our council, pastors and committees as they imagine what church looks like in the new normal of COVID.
- We give thanks for those who step forward when there is a need in the church and volunteer their time

## THANK YOU

A sincere thank you to our church family and friends for the many cards and notes of sympathy received with the passing of my father, Bill Harbers. Your care and concern during his difficult last years has been an encouragement to us. With much appreciation, **Alice and Hans Schuler and extended families.** *Ephesians 2:8-9 "For by grace you are saved through faith, and this is not from yourselves, it is the gift of God; it is not from works, so that no one can boast."*

I would like to thank all of you who remembered me for my birthday, through visits, cards and phone calls. The Lord has watched over me and blessed me greatly over these years and He has also shown me and given me beautiful memories of your friendship. Until we join together, once again in His house. May our Lord bless you all. Thank you once again,  
**Margaret DeJong**

## SUNDAY MORNINGS AT WCRC

For so long now we have been talking about what it will look like when we are all together again. And, if we are thinking about the way we used to be together on Sunday mornings, it could be a while still.

**But that does not mean that we cannot be together.**

All are welcome to come to the church on Sunday mornings, everyone will need to wear a mask, and maintain social distancing. But you can come. You can sit in the pews and participate as we put together the service that goes out live over the internet. we have a limit of about 100 people per our guidelines.

**There are other ways to be together though.** We can still be together virtually. Watch on Facebook live and make comments, say hello to everyone. Some in our congregation are gathering together in homes to watch together, serving coffee and singing from the play list. Some gather later in the day to watch again or maybe for the first time with neighbours and friends.

Being together on Sunday in not so much about one place, it is about being a community. It is sharing in one faith, one hope, one Lord and Saviour. **Let us know how you are getting together.**

Contact Pastor Gregg by email at [lawson9950@gmail.com](mailto:lawson9950@gmail.com) or by phone or text at 613-438-4774

We rejoice with those celebrating birthdays over 70 years of age.
