- This past week as council met to elect new leadership we pray for Ype Vanderveen and John Menkhorst as they take on the roles of chair and vice chair respectively.
- We lift up our local schools (families and staff) as they get adjusted to the new school year.
- We pray for our municipal, provincial, and federal leadership in this volatile time.
- We pray for our council, pastors and committees as they imagine what church looks like in the new normal of COVID.

## CADETS

The Calvinist Cadet Corps is an independent (non-denominational) youth ministry organization whose purpose is to provide the local church with a ministry program that will enable them to effectively share Christ's love with boys from their church and community. Founded in 1952, the Corps has more than 600 clubs throughout North America.

### TCS – FACE

Financial Assistance for Christian Education (FACE) is a fund that is set aside to help those who desire to send their children to TCS, but find themselves short of having enough to cover the full cost of Christian Education. For more information, talk to one of the Deacons.

Face is collected and administered by TCS themselves to help offset the cost of Christian education. It is set aside to be used first for families from our church. Through this program, assistance is offered to new and existing families, if they struggle to afford the full tuition amount. In most cases a strategy is developed with the family to make Christian education at TCS affordable.

## THE BOOK OF JAMES

Have you ever wondered, if all I need to do is accept Jesus as my saviour and believe that He died for my sins, then I don't have to do anything else?

And while it is a true statement, it falls short of what being a Christian is. The truth is that as a beloved child of God, our lives should look a little different. They should reflect a life of faith. This will be the focus today as we begin our series on the book of James.
