Offering Schedule

August 18 Wycliffe

Since 1968, Wycliffe Canada has served minority language groups worldwide by fostering an understanding of God's Word through Bible translation, while nurturing literacy, education and stronger communities. Wycliffe's team and partners strive to create access to education for language groups around the world. They want marginalized groups, the poor and the overlooked to have a chance to know God's incredible love and escape poverty. Wycliffe Canada is changing lives by translating God's Word into the heart language of the people and communities they serve.

August 25 Dwayne Thielke, former missionary to the Philippines we used to support, passed away after suffering a massive heart attack 3 months ago which he never recovered from even though they tried bypass surgeries. His wife Gladys is left with an \$80,000 US bill for the surgeries which took place in the Philippines. The church's facebook page has supplied the GOfundme website. We will be having a collection on August 25 whereby every dollar raised can go straight to Gladys.

Thank you, the deacons.
