July 29 - World Renew - Maternal and Child

Health is an important part of the community development work in most of the countries they work in. Many women who live in poverty have no information and lack the freedom to make decisions about their own and their children's health. Hundreds of thousands of women die during pregnancy or childbirth every year, and nearly nine million children die before reaching the age of five. Many of these deaths can be prevented through community-based health promotion, education and nutrition programs.

August 5 - Education Assistance Fund This fund provides financial support to families who send their children to Christian elementary or Christian high school.

August 12 - Benevolent Fund

This fund is used by the deacons to financially assist those within our church and the community when a need arises or help is requested.

August 19 - Wycliffe

Since 1968, Wycliffe Canada has served minority language groups worldwide by fostering an understanding of God's Word through Bible translation, while nurturing literacy, education and stronger communities. Wycliffe's team and partners strive to create access to education for language groups around the world. They want marginalized groups, the poor and the overlooked to have a chance to know God's incredible love and escape poverty. Wycliffe Canada is changing lives by translating God's Word into the heart language of the people and communities they serve.

Interim Pastor for our congregation: Since we were unable to extend a call to a pastor to minister to our congregation beginning this fall, council has contacted Rev. George Holthof and offered him a part time position serving our congregation for a 3 month period beginning in October with the option of extending it to 6 months (until the end of March 2019). Rev. Holthof has also been asked to serve two other congregations and he will prayerfully discern God's will for him and has

asked for a month to consider this request. If you would like to contact him, he can be reached at revgeoholthof@gmail.com or at 780-215-5025.

World Renew

To the congregation of Williamsburg CRC: We are thankful for your gifts of \$2,058.00 to World Renew received in Spring 2018. Your donations are bringing hope and strength to God's most vulnerable people through Refugee Resettlement and Disaster Relief. Through your generous support, prayers and advocacy, we have together been able to bear witness to the goodness of God in a broken and hurting world. We acknowledge that the scope of need is sometimes difficult to comprehend, but we take refuge in the fact that our God is loving and merciful. Together, we are bringing lasting, practical help that is changing lives! We invite you to continue on this journey with us toward building God's kingdom of justice and mercy for all. We would also be grateful for your continued prayer support - find out ways to pray for the work we are doing together and for the people we serve at www.worldrenew.net/pray. Serving Christ together, Chris Orme

GUITAR: In August we will have a couple from Holland visiting us. She is a cousin of 'Miss Henrietta Fayer' who taught at TCS years ago. This lady sings a lot, has some CD's, and used to teach music at a number of Chr. schools. She hopes to sing some songs in our church on Aug. 5 & 19, but is not bringing her own guitar along. Does anyone have a guitar at home, perhaps stored away, that she may use while she is here? That would really help her. Jim & Alice Kooistra

The Seasons of Life

The first son went in the winter, the second in the spring, the third in summer, and the youngest son in the fall.

When they had all gone and come back, he called them together to describe what they had seen.

The first son said that the tree was ugly, bent, and twisted.

The second son said no it was covered with green buds and full of promise.

The third son disagreed; he said it was laden with blossoms that smelled so sweet and looked so beautiful, it was the most graceful thing he had ever seen.

The last son disagreed with all of them; he said it was ripe and drooping with fruit, full of life and fulfillment.

The man then explained to his sons that they were all right, because they had each seen but only one season in the tree's life.

He told them that you cannot judge a tree, or a person, by only one season, and that the essence of who they are and the pleasure, joy, and love that come from that life can only be measured at the end, when all the seasons are up.

If you give up when it's winter, you will miss the promise of your spring, the beauty of your summer, fulfillment of your Autumn.

Don't let the pain of one season destroy the joy of all the rest. Don't judge life by one difficult season. Persevere through the difficult patches and better times are sure to come sometime.

Christian Stewardship Services – A Child called Charity

The word 'charity' is derived from the word 'love' and probably says it all. How appropriate then, in our last Will and Testament to reserve a place for 'A Child Called Charity': which is simply, a share for the charities you wish to support.

Marinus Koole, CSS Consultant, will be in your area August 13-15, available to meet and explore how you can honour God in this area of your life. As a member of the Christian Reformed Church, one of our founding partners, you have access to the services of CSS at no cost.

For further information or to book a personal consultation with Marinus, please call 1-800-267-8890 x 225 or Email: marinusk@CSservices.ca
