Church History Discussion

This evening at 7pm we'll be looking at how the Christian church went from a persecuted church to becoming the official religion of the Roman Empire. Was this an altogether good thing for the spiritual health and vitality of the church? What kind of theological and moral challenges faced the church during this time and how did the church deal with them?

Prayer Items:

In our Church:- We rejoice with Andrew and Bridget DeJong in the birth of their daughter Ruthann Lorraine on Friday, Feb 2.

-Carl Burton as he returns from serving in Louisiana with Disaster Response Services

In our Classis we pray for: Community CRC
Dixon's Corners Pastor Aaron Thompson

In South Dundas we pray for:

St. Mary's - St. Cecilia's Roman Catholic Parish
Father Thomas Thazhappally

Prayer Ministry: Prayer requests for the congregational prayer can be passed on to the pastor through phone call, email or text, as well as coming to the Council room just before the service. A prayer team continues to meet in the prayer room before the service.

Why are still so many governments reluctant to act on this very important issue? What does the Bible have to say about our responsibility as Christians? What does the future hold for our children and grandchildren? And what can we do about it? Dr. Henry Brouwer, Emeritus Professor of Chemistry and Environmental Science, Redeemer University College, will give a presentation to help you understand these and other aspects relating to climate change. He also serves as a member of the Climate Witness Project of the Christian Reformed Church, see crcna.org/CWP. Please join us for a stimulating evening with good fellowship.
