**Prayer items this week**

We give thanks for a great week of VBS which saw more than 80 children and 30 helpers reflect on God's goodness together. We pray a blessing on the youth going attending Niagara SERVE this week. You can follow their week on facebook or instagram. We lift up those who are waiting for or recovering from surgeries We pray for persecuted Christians around the world, that they may feel the Lord's comfort and strength in times of trouble. We remember especially those we love, family members and friends, who have wandered away from the Lord.

**In our Classis we pray for:** Calvary, Ottawa Pastor Pieter Heerman, Associate Pastor Bryan Hummel

**In South Dundas we pray for:** St. Luke's Lutheran Church, Dunbar Rev. Joachim Barkley-Probst

**Offering Schedule**

**July 14 The Bible League** In more than 40 countries worldwide, Bible League Canada partners with churches, indigenous Christian and community leaders, and local governments. Together with their faithful supporters, they are able to provide Bibles, training and resources for Christians who are working on the ground, delivering the Good News to those who have never heard it.

**July 21 Missionary - Karen Lubbers**

Partnering with CRWM, Karen Lubbers will be serving the children and youth in and around Soroti, Uganda. Her hope is to do this by drawing together young adults from many of the local churches and training them on how to start and run a lively children's ministry. She'll be guiding young adults in story telling methods, explaining Bible stories, planning lessons and craft ideas, and then sending them back to teach the children in their churches. She will also continue to encourage former child soldiers living in the surrounding villages by bringing words of peace and forgiveness and assisting with income generating projects like goats or cassava crops.

**July 28 Ottawa Chr. Ref. Campus Chaplaincy**

The Ottawa Christian Reformed Campus Chaplaincy is working to establish a generous space for faith within the University of Ottawa. We are working to find the places where faith intersects with learning and do so through an open chaplaincy office, meeting with student groups for various events and topics, and showing up in classrooms and at events in order to bring a Christian faith presence and perspective into the life of the University. The hope and dream is to see an avenue of Christian worldview development among students that serves God and benefits the community life of the University.
