Offering Schedule

July 21 Missionary - Karen Lubbers

Partnering with CRWM, Karen Lubbers will be serving the children and youth in and around Soroti, Uganda. Her hope is to do this by drawing together young adults from many of the local churches and training them on how to start and run a lively children's ministry. She'll be guiding young adults in story telling methods, explaining Bible stories, planning lessons and craft ideas, and then sending them back to teach the children in their churches.

She will also continue to encourage former child soldiers living in the surrounding villages by bringing words of peace and forgiveness and assisting with income generating projects like goats or cassava crops.

July 28 Ottawa Chr. Ref. Campus Chaplaincy

The Ottawa Christian Reformed Campus Chaplaincy is working to establish a generous space for faith within the University of Ottawa. We are working to find the places where faith intersects with learning and do so through an open chaplaincy office, meeting with student groups for various events and topics, and showing up in classrooms and at events in order to bring a Christian faith presence and perspective into the life of the University. The hope and dream is to see an avenue of Christian worldview development among students that serves God and benefits the community life of the University.
