

- Council made the decision to modify the format of the evening service on Sundays. Starting in January 2017, the Sunday evening worship service will become an interactive learning time that could include a video series or a Bible study. Specific details will be determined in the coming months. More information will be provided as it becomes available.
- The 2017 draft budget was approved by council. This only means that it will be presented to the congregation for final approval at the November congregational meeting.
- The Congregational meeting will be on November 17.
- Please remember Pastor John and Mike Luchies as they will be attending Classis in Charlottetown, PEI from October 21-22.
