PRAYERS THIS WEEK

- We lift up the Schuler family with the passing of Hans. May the God of all comfort be especially with Alice, her children, and grandchildren.
- We pray for Ann Vandemheen and her family as they adjust to her living in the Osgoode Care Center, and Rodney Schell as he awaits a new long-term care home.
- We pray that we can shine the light of Christ everyday, in our thoughts, words and actions to our families and to all those we come into contact with.
- We pray for our church leadership as we present the budget and future plans at the upcoming congregational meeting
- We thank God for those we remembered this week who laid down their lives for our freedom

THIS WEEK: MINISTRY TO SEAFARERS

M2S exists to help meet the physical, emotional, and spiritual needs of all seafarers, regardless of nationality or religion, who visit the Port of Montreal. We do that by: visiting seafarers, being a friend and lending a listening ear, and advocating on their behalf with the appropriate authorities. We also offer prayer, spiritual counsel, and free Bibles in their own language. We provide a safe and quiet place for them to relax and unwind, help them keep in touch with their families, organize regular events for fun and fellowship, providing free transportation to/from their ships, and dispense food, beverages, clothing, toiletries and personal items that are not available on-board. <https://ministrytoseafarers.org/about>

NEXT WEEK: OCRCC - The Ottawa Christian Reformed Campus Chaplaincy is working to establish a generous space for faith within the University of Ottawa. We are working to find the places where faith intersects with learning and do so through an open chaplaincy office, meeting with student groups for various events and topics, and showing up in classrooms and at events in order to bring a Christian faith presence and perspective into the life of the University. The hope and dream is to see an avenue of Christian worldview development among students that serves God and benefits the community life of the University. <https://ottawacampuschaplaincy.org>

HISTORY OF OUR CHURCH: As a history buff I have collected many things about the history of our congregation. In spite of the devastating fire of our first building, we do still have all the minutes of all the council meetings our church ever held, even the Dutch ones of the first years. We also have all the yearbooks and many of the Sunday bulletins. I kept a footlong board of the first church with some writing on it of the time it was built. It would be nice if we had a permanent safe, fireproof place in our building to store and display some items from time to time. I am wondering if there are some old picture-albums around and other items relating to our church that might be discarded someday when cupboards, etc., are cleaned out. I would love to add all of that to the history collection of our church. Anything is welcome. Thanks. **James Kooistra**
